The Tuesday Twilight league is a comfortable group of women with a wide range of ages and skill. We offer a convenient time for working women to enjoy the beauty of late afternoon golf.

Check in by 4:30 pm with a 5:00 shot gun start. Members can schedule tee times and arrange to play with other members or just arrive and put together a foursome that evening. Fun and fellowship is achieved with weekly games while you play. Following play we enjoy time at the Grill and Tap House.

There are many opportunities to play other IENG member courses by attending their Invitationals and Visitations. We also host an IENG event each season and hold a three-week Club Championship play in August.

The league begins April 20th and ends September 14th followed by the Awards dinner on September 21th.
